

## **Seth R. C. S. Arts & Commerce College Durg (C.G.)**

### **Mechanism of reviewing the teaching-learning processes and learning outcomes**

The college follows a comprehensive mechanism of reviewing the teaching-learning processes and learning outcomes:

- The Academic and Administrative Audit (AAA) is the primary teaching-learning review conducted every year/semester. The AAA evaluates the fulfillment of institutional parameters of planning, execution and record-keeping of teaching practices, curricular, and co- curricular activities. With the implementation of the AAA, there is uniformity in conceptualization of the structure and methodology of academic and extracurricular routine in every academic session. All the departments in the college abide by the institutional norms (initiated by the IQAC) such as: timely submission of workload requirement for forthcoming session; timely distribution of time table among faculty; course completion according to lesson plan; academic and extracurricular work delegation within the department; use of ICT in teaching practices, wherever applicable; execution and moderation of internal assessment(s); assessment of learning-outcome by identifying high performing and low performing students, analysis of end-semester examination results, and so on. Such detailed institutional parameters have been instrumental in strengthening the competitive spirit on campus and streamlining the entire process of teaching-learning.
- Review of learning-outcome takes place by evaluating students' interactions in classroom, participation in extracurricular activities, and their performance in internal assessment and end semester examination.
- The IQAC at Seth R.C.S. Arts & Commerce College encourages and ensures continual reforms in teaching-learning methodologies. It lays impetus on the adoption of ICT in teaching practices.
- In these ongoing COVID-19 times, teaching-learning has been supported by various virtual platforms. These tools are used for video-lecture and interaction, sharing study materials, and assessing assignments.
