Measures initiated by the Institution for the promotion of gender equity

Measures initiated by the Institution for the promotion of gender equity during the year. Our college is committed to educating and following the idea of gender sensitization among the students as their prime duty and part of constitutional obligation. The institution has different committees such as Anti – Ragging Committee, Students Grievance Committee and Anti-sexual harassment Committee which are on heels to provide quick relief to the students and to ensure the maintenance of decent and moral atmosphere within the campus. These committees on various occasions conduct various programs and activities for the students to popularize the idea of gender sensitization and empowerment. Anti-sexual harassment committee has been taking special care about the girl students and trying to support in terms of instilling confidence among them while they face any types of problems within the campus or outside the campus. We have maintained a complaint box in the College incase if they are hesitant to come up openly. Through these means the College is able to take necessary measures to maintain cleanliness in the campus including the washrooms. The discipline committee of the College looks after the disciplinary matters, especially protecting the girls students from all kinds of harassment and ensuring their privacy. The institution accords utmost priority to the safety and security of not only the students but also of the staff, so that every student, especially girl students, will feel secured and protected to pursue their educational endeavors. In this regard the institution installed CC (Close Circuit) cameras at key places in the campus and also in all the class rooms for a round the clock vigilance. A Common Room with an attached Wash Room is the primary facility required for the girl students to meet their personal needs. As such the institution has provided a spacious Common Room to the girl students with adequate seating facility. As in college we have Physical Education Department which encourage students to take part in sports events as well as promote fitness among them. Female students who are athletes or incline towards sports are nurtured and the result of which student opt B. P. Ed. Degree program.
