Strategy Development and Deployment

Our prime institutional policy for the students is that we organize quality related awareness enhancing programmes, like, lectures and workshops. The faculty members plan their teaching work in a planned systematic way. The head of the institution monitors the teaching work through monthly perusal of the attendance and daily teaching registers maintained by the faculty members.

Teaching and Learning:

The faculty members are motivated to increase their knowledge and teaching skills through participation in seminars and workshops. Periodical tests are taken to assess the impact of teaching on the learning process of the students. Library resources have been strengthened through addition of resources facility. Faculty members are always encouraged to attend Refresher courses, Orientations, short term courses, summer and winter courses etc. They are motivated to use new technique of teaching.

Research and Development:

College has constituted Research Council, which promotes faculty members to take up research work.

Community engagement:

Our college has NSS/NCC unit through which the college regularly engages itself with the nearby community every session. Camps are organized in nearby villages to render community service related with health, hygiene, construction and cleanliness.
