Student Centric Methods

Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences. College believes in holistic development of students. Students are encouraged to take part in various activities and development program. We have NCC, NSS units as well as Physical Education Department and P.G departments where experiential learning programs are organized in and out campus which enable students to have experience of teaching more effective rather than normal interactive lecture.

- Industrial visit, library visit, study tour.
- Group Discussion, Role Play, Debates, Quiz Competition, Slogan writing, Poster Making, Paper Presentation and webinar are organized to make the learning process more participative.
- Extension program activities such as Awareness Program, Swachhat Abhiyan, Voter Awareness Program etc. Extension lectures are organized by different departments which provide the faculty as well as students an opportunity to interact with eminent resource person.
