Evaluation Process

Evaluation plays vital role in teaching learning process.

- The college follows continuous internal evaluation as directed by Department of Higher Education/University.
- Students are pre informed regarding the class tests which are conducted in oral and written form.
- Students bring their own copy to write class test after evaluation teacher show copies and keep records for the same so, that they can work on their weakness.
- Unit Tests are also conducted in every session to evaluate student's knowledge.
- Faculty checks and return Unit Test copies and keep record for the same.
- On spot discussion of their performance in Unit Test is done by each faculty in their respective subjects. Sometime student's evaluation is monitored through surprise test.
- Model Examination is also conducted before final examination. Model examination questions are prepared as per the University pattern.
- Answer copies are provided by college to students for model examination. Paper showing is also done after checking and it is compulsory for the all faculties to value the model examination answer sheet and distributes answer copies back to students.
- Teacher discusses question paper in detail and gives tips to attempt annual examination in more effective manner. Suggestions to the teacher are given by the principal to improve the result if necessary.
