Strategy Development and Deployment

The institutional Strategic/Perspective plan serves as a roadmap for Seth R. C. S. Arts & Commerce College, outlining its long-term goals, objectives, and strategies. To assess the deployment of the institutional Strategic/Perspective plan, a comprehensive evaluation was conducted. The assessment process involved reviewing relevant documents and analysing the implementation strategies and outcomes.

Teaching and Learning

- Submitting and following teaching Plans.
- Preparing Academic calendar.
- Using advanced methods of teaching.
- Conducting unit tests, group discussions and home assignments etc.
- Exposing students to outdoor learning through educational trips, industrial visits, excursions, camps etc.
- Conducting internal examinations before main examination.
- Guest lectures by highly qualified resource persons are organized for students
- Motivating students for research activities

Curriculum Development

- Being an affiliated college, we implement the syllabus designed by the affiliating university.
- The organization has a well-structured mechanism to effectively implement the curriculum.

Examination and Evaluation

- Conducts the internal and external examination as per norms and guidelines of university.
- Examinations are conducted as per the academic calendar.
- The main evaluation used to assess the student knowledge is by a written test, projects, assignment and seminars.
- The students are evaluated through 20 marks internal assessment and 80 marks semester end examination.

- Internal examinations are conducted and marks were sent to the Hemchand Yadav University Durg (affiliating university). The sessional and practical examinations marks were also sent the university.

Research and Development

- The College has well established research and development cell. Many teachers are actively involved in research activities.
- The college management extends helping hand towards the young researchers and provide all kind of support for their qualification enhancement.
- Encourages the faculty to undertake research in their respective fields.
- Encourages the faculty members to publish the research papers in the National and International journals.

Library, ICT and Physical Infrastructure

- An enriched library is regularly upgraded and updated having new books, journals and learning material are added every year.
- College library is linked with N-LIST of INFLIBNET. Our faculty are using these resources to publish research papers and literature review for their research work.
- Library software system SOUL 3.0 is available in the library.
- We have ICT enabled seminar halls, three digital classrooms equipped with LCDs and one virtual classroom to teach online.

Training Placement Cell

- A Training and Placement cell is established in the institute.
- TPC ensures the overall development of the students by organizing personality development and soft skills.
- Placement drives (on-campus and off-campus) are organized for the students of all the courses.

Student's Overall development through participation

- Students are encouraged to participate in various departmental events, sports events, youth festivals and cultural events etc.
- Students are enrolled in NCC and NSS for making them aware about their social responsibilities.
