Yoga Classes are conducted for both boys and girls. The college runs PG Diploma in Yoga Programme with the intake of 30 seats. All the students do yoga and asana under the supervision of trained yoga teacher.

Computers and IT Facilities

Institution frequently updates its IT facilities including Wi-Fi Response. All the class rooms and departments have internet and Wi-Fi facility. The college has a comprehensive IT

policy to support and facilitate teaching, evaluation, research, and administration of the college through a secured e-supported environment. All the buildings get wide wireless computing network that allows faculty and students to log on the internet at any point of time. There is one lab in the college with internet facility for the students and teachers. Lab is well equipped with teaching aids and LCD projectors. The conference hall is fully equipped acoustically designed PLUG and PLAY facility to give enriching learning experience for stage holders during guest lectures, seminars, and workshops. On the same platform, the college has deployed Online Feedback System for the betterment in the teaching and learning process. All the workstations are secured with licensed anti-virus.

Library and Reading Room

Library of RCS College function as the leading information resource centre and is a treasure house of books, journals, magazines, newspapers, and e-resources for staff and students facilitating activities in the institution. Other than text books, the library houses growing collection of reference books, journals, magazines, periodicals, dictionaries, rare books and encyclopaedias, etc. Likewise, the library facilitates access to a number of e-journals and e-books through INFLIBNET. The primary aim of the library is to support the students of our institution for knowledge enhancement. The collection of the library includes Books, Journals, Magazines, Question Bank, Newspapers and rich collection of all the streams. The

Bar-coding technology is adopted with the software to speedup the circulation process. It is known for its collection of rare and old edition books in different subject areas. It has also made provision for students to refer old question paper banks for preparing for examination. The students are able to borrow books for the entire length of the semester to help them in their study. The issues and returns of study material is recorded in the register and is also done through software. The information, which the faculty and students are getting from the books in the library, is being utilized in different aspects like the continuation of research work in their respective fields, presenting papers in seminars, publishing their work in journals, etc. Library is equipped with Wi-Fi, Internet and Reading Room Facility.
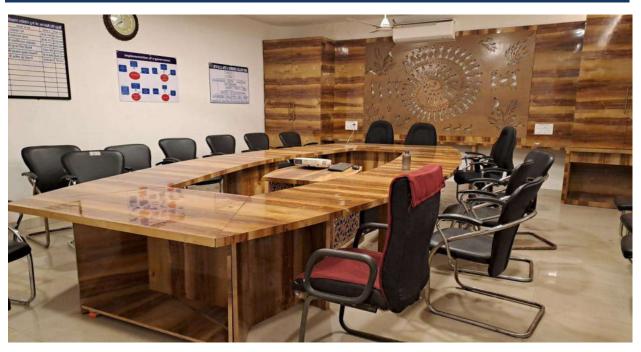

Reading Room
