Library is automated using Integrated Library Management System (ILMS)

The library covers an area of 228.76 sq. mt. with study room. Excellent Resources are available for self-learning at library. Library of RCS College function as the leading information resource centre and is a treasure house of books, journals, magazines, newspapers, and e-resources for staff and students facilitating activities in the institution. Other than text books, the library houses growing collection of reference books, journals, magazines, periodicals, dictionaries, rare books and encyclopaedias, etc. Likewise, the library facilitates access to a number of e-journals and e-books through N-LIST. Library is fully computerized by automating the issue of books with bar code reader. The Bar-coding technology is adopted with the software to speedup the circulation process. The information, which the faculty and students are getting from the books in the library, is being utilized in different aspects like the continuation of research work in their respective fields, presenting papers in seminars, publishing their work in journals, etc. Library is equipped with Wi-Fi, Internet and Reading Room Facility. The reading area can accommodate 40 users at any point of time. The library is automated with integrated library management software SOUL 3.0 of INFLIBNET. The various housekeeping activities of the library such as data entry, issue and return and renewal of books, member logins etc are done through the software. Apart from the printed books the library is having access to e resources of N-LIST which is a part of e-shodhsindhu consortium of INFLIBNET, where the users are given awareness and made to access browse and download e books, e journals, databases etc. The new books are displayed on the display stand. User orientation is provided at the beginning of the year regarding the various facilities services and resources available in the library. The Internet room is provided with 4 systems with internet connectivity. For Enhancing security closed circuit cameras have been installed.
